Greetings & Salutations,

After an absence of a couple of years the newsletter has returned to my care and guardianship. Thanks to Cynthia for her efforts in putting it out while I was on leave.

As you can see, we are working with a new format. MOST of you will be receiving this electronically. Very few do not have internet access and will have to receive a hard copy. We are doing this to try and cut costs to save the club some money. Hopefully you will enjoy these new efforts. I would be delighted to hear from you for ideas and suggestions of things you would like to see included in future issues. You can call (208) 322-8474 or e-mail me at Sheila@DestinyArabians.com.

We are planning an important meeting this July. You will soon be receiving a phone call asking for input. At the meeting we hope to take the results of this call and determine best goals & directions for the club. We hope to see many of you there. Please take the time to answer the questions during the call.

Life throws interesting curves. We have a bucket baby here now. A first time mom had no milk and no interest so we are raising him on a bucket. Life is measured in 2-4 hour intervals and we take turns seeing to his needs. Gives one a new perspective on things that are important and those that aren't. For me it is very much about the horses, seeing the new foals, watching the first steps, finding the udder (finally!!). Then later, the triumph of starting these youngsters under saddle, meeting talented new athletes who can be a partner in our riding adventures.

My daughter is home, graduated from the University of Idaho (yes, I'm bragging, but I think she is a pretty cool kid!!). She is "relaxing" this summer by insisting that we get "everything" started under saddle. Her energy is exhausting me, but we are getting quality time together on the trail as we take these youngsters out for the first time. This is the therapy Allah intended when he took the handful of the South Wind and created the Arabian.

See you on the trail.

Sheila

Membership Application

The Idaho Arabian Breeders Association formed in 1992 to meet the needs of the Professional Arabian Horse Person through co-op Advertising for Members, Member Referral Services, through clinics, Open Horse Shows, and Public Education. Ownership of Arabian Horses is not a requirement for membership and we welcome anyone with an interest in promoting Arabian Horses.

Our Membership year will be January 1 through December 31. Our 2002 dues will be \$15.00 per individual voting member. Youth memberships, for children under 18 years of age, are free and do not have voting privileges.

We invite you to join with us in CELEBRATION of the ARABIAN HORSE.
